Worsted weight

50 grams 100% cotton yarn and a 5.00 mm / H hook

DK/8ply

50 grams 100% cotton yarn and a 3.5mm / F hook

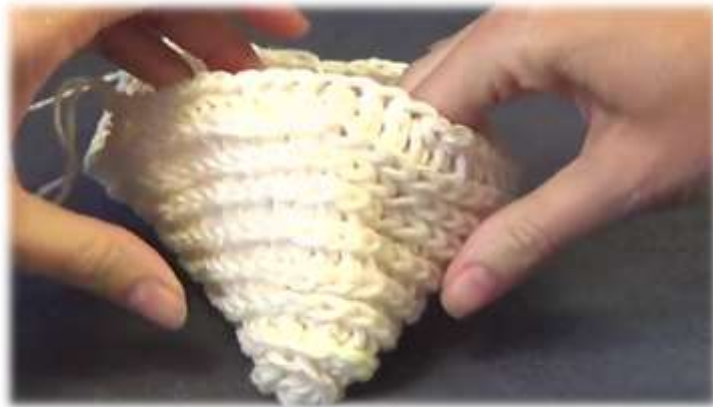

Scissors

Yarn needle

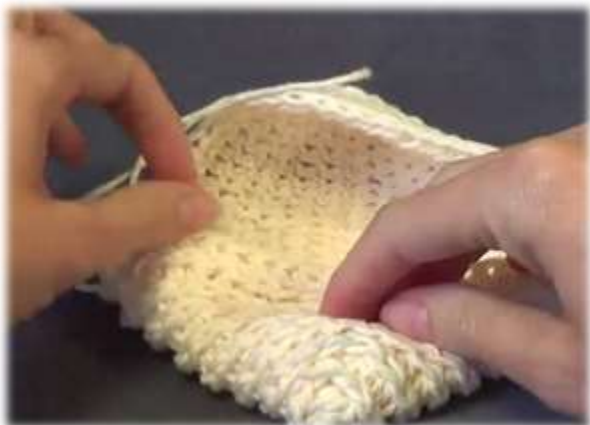

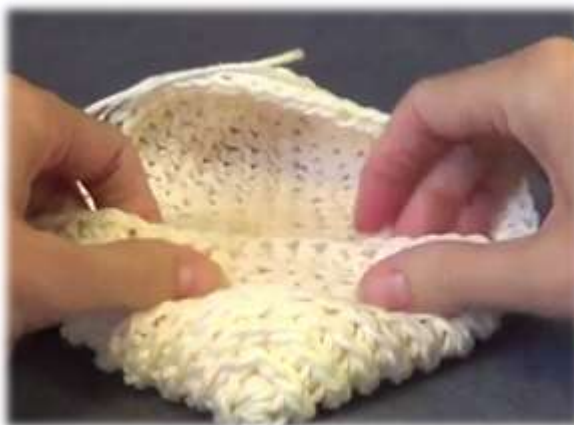

NOTE: Easy to adjust the size by making more or less chains – the length of the chain is the approx. width of the project

1. Ch 25 hdc into the 2nd ch from hook, hdc into each ch across, 3 hdc into last ch hdc into each stitch, working down the other side of the chain work 1 hdc in each ch across, 2 hdc into the last chain DO NOT JOIN ROUND
2. Hdc into every stitch – work into the back back loop of the hdc (see video tutorial for explanation of the back back loop) <https://www.youtube.com/watch?v=rln4keTYXt4>

3. Repeat round 3 for remainder of project (approx. 11 rounds) - Continue until when you **folded** it the edges meet (see 2nd last photo) finish round off half way through a round so that the yarn finishes in the correct place when folded (see last photo)
Turn sideways so you are looking at the end –see below

Fold edge down – see next 2 images

You have enough rounds when the edges meet

Not enough ☹️

Enough 😊

Finish off round half way

Hanging loop

Ch 10, slip stitch to the first chain to make a loop, 15 hdc into ch 10 loops (you can also use a sc if you prefer) join to the first stitch with a slip stitch, finish off leaving approx. 8 inches of yarn

Fold dish cloth, sew up seam, making sure you close the gap near the hanging loop, sew into the loops closest to the seam – see video for further information <https://www.youtube.com/watch?v=rln4keTYXt4>
Finish off and sew in ends
