EASY

- Worsted weight yarn in pumpkin colour
- Worsted weights yarn for stem and chain colour
- 5.5mm hook
- OR
- Yarn and hook of your choice
- Note: The chain 3 does NOT counted as a stitch at the beginning of a round

Make a Magic Ring

Round 1: chain 3 (NOT counted as a stitch) 11 double crochet's into ring, ignoring the chain 3, join with a slip stitch to the 1st double crochet – You will have 12 stitches

Round 2: chain3 (NOT counted as a stitch) 2 double crochet's in same stitch, 2 double crochet's in the next 8 stitches, 2 half double crochets in the next stitch, 2 single crochets in the next stitch, 2 half double

crochets in the next stitch, ignoring the chain 3, join with a slip stitch to the 1st double crochet – You will have 24 stitches

Round 3: chain 1, single crochet in the same stitch, *1 single crochet into the next stitch, 2 single crochets on the next stitch* repeat from *to * until you have 6 stitches left, slip stitch (not to tight) in the last 6 stitches. Slip stitch to the 1st single crochet to join. Fasten off and weave/sew in tails

The flat section is the top of the pumpkin. Attach stem colour yarn to the middle stitch of the flat section (see image below)

Stem – Variation 1

Chain 3, double crochet in same stitch, double crochet in the next stitch, chain 3, slip stitch into the same stitch as the previous double crochet

Stem – Variation 2

Chain 4, treble crochet in same stitch, treble crochet in the next stitch, chain 4, slip stitch into the same stitch as the previous double crochet

String

You can make the string any length you like, I use 20 chains in between each pumpkin

If you would like to make a loop on the end to hang up your garland (see image below) leave a length of 20cm/10 inch before you make your slip knot

Chain 20, slip stitch into the top of the stem between the 2nd and 3rd double crochet (see image below)

Repeat the chain 20 and slip stitching to the stem until you have joined all your pumpkins together

Chain 20 and finish off leaving a 20cm/10 inch before you cut your yarn

Tie a loop in the ends of the yarn and sew in ends
