Wedding Shaw

Designed by Clare Sullivan

Video tutorial - https://youtu.be/uMs30Xd-jK0

US terminology

150 grams (1 ½ balls) Red heart shimmer 5 mm / H hook

Yarn needle and scissors

NOTES:

- When it has instructions in brackets and then a x3 (could be any number) after it it means that you need to repeat the instructions in brackets that many times…for example if it is x3 - you do the instructions in brackets (that counts as once) and then do the instructions in brackets 2 more times
- Motifs are all worked on 1 strip – no joining YAY !!

Make a chain as wide as you want your shawl – you can undo any extra chains (I did 160 chains)

1. Dc into the 5th ch, ch 1, (dc, ch 1) x3 in the same ch, skip 3 ch's, slip stitch into the next ch * ch 1, skip 3, (dc,ch1) x4 into the next ch. Skip 3 ch, slip stitch into the next ch * repeat from * to * across. (dc, ch1) x7 into last ch
   Working down other side of ch
   Skip 3 ch. Slip stitch into next ch (same ch as you slipped into on the other side) repeat from * to * across.
   Into last ch (where we worked all of our dc, ch1's) ch 1 (dc, ch 1) x2, slip stitch to the 3rd ch from beginning to join

2. Slip stitch to the ch 1 space *(ch 3, 3 dc, ch 3, slip stitch) into the ch 1 space, slip stitch into the dc and ch 1 space* repeat from * to * into the next 3 ch 1 spaces. You will have 4 petals
   Slip stitch into the following – (dc, 2 ch 1 spaces, dc and ch 1 space)
   (ch 3, 3 dc, ch 3, slip stitch) into the ch 1 space, slip stitch into the dc and ch 1 space repeat from ** to ** into the next 2 ch 1 spaces. You will have 3 petals. Slip stitch into the following – (dc, 2 ch 1 spaces, dc and ch 1 space)***
   repeat from * to *** across
   When you get to the end flower you will work 6 petals and continue in pattern across to end

   Body of shawl
   Laying your strip of flowers horizontally - looking at the flower on the right hand side, you can see it has 6 petals – 3 on one side (let's call this the top) and 3 on the other (let's call this the bottom)
   Join yarn into the first ch 3 of the 4th petal (start counting petals from the bottom)
1. Ch 6 (dc, ch 2) into top of last ch 3 of the same petal, (dc ch2) into the top of the first ch 3 of the next petal, (dc, ch 2) into top of last ch 3 of the same petal, (dc ch2) into the top of the first ch 3 of the next petal
   (dc, ch 2) into top of last ch 3 of the next petal, (dc ch2) into the top of the first ch 3 of the next petal, (dc, ch 2) into top of last ch3 of the same petal, (dc ch2) into the top of the first ch 3 of the next petal repeat from * to * across

   * (dc, ch 2) into the last ch3 of the next petal (dc, ch2) into top of first ch3 of the next petal (dc, ch2) into the top of the last ch 3 of the same petal, (dc, ch2) into top of first ch3 of the next petal* repeat from * to * across ch 2, tr into top of the last ch 3 of the same petal

2. Ch 4, turn *skip ch 2 space (tr, ch 2, tr) into next ch 2 space* repeat from * to * across. Tr into the last ch space (this is the ch 6 space from row 1 of the body of shawl)
3. Ch 4, turn *(tr, ch 2, tr) into next ch 2 space* repeat from * to * across. Tr into top of ch 4 from previous row
4. Repeat row 3 for majority of the body of shawl - I did 14 rows

   Neck
1. Ch 3 *(dc, ch 2, dc) into next ch 2 space* repeat from * to * across. dc into top of ch 4 from previous row
2. Ch 3 *(dc, ch 2, dc) into next ch 2 space* repeat from * to * across. dc into top of ch 3 from previous row
3. Repeat row 2
4. Ch 1, sc into same stitch, sc into the next stitch, 2 sc into the chain 2 space, *sc into the next 2 stitches, 2 sc into the ch 2 space*

   Thank you for choosing my pattern
   Happy crochet
   Clare xx
