## Row 1

Chain 19, single crochet into 2<sup>nd</sup> chain from the hook, half double crochet into the next chain – instead of me writing into the next stitch do this, into the next stitch do that, I will just type the stitch and that is what you do into the chain – each chain will have **1 stitch** until the last chain 😊

Single crochet into last stitch, slip stitch to join, leaving a long tail if you need to sew your moustache onto a project or sew in any loose end

It is easy to adjust the amount of stitches on your moustache. Remember if you add a stitch to one side you have to add it to the other and also add that same amount to the beginning chain
