

Crochet Cowl/Neck Warmer - Granny on the Straight

Designed By Clare Sullivan

Converted into written format by Daisy

Video tutorial – <http://www.youtube.com/watch?v=IaVTWIF5jiY>

You will need:

200-300gms (depending on size required) of 8ply/DK yarn and 4mm/G crochet hook
Optional 3.5mm/E crochet hook if you want the rows around the face to be a little tighter

OR

7-8 oz of medium worsted weight yarn and a 5.5mm/I hook

Scissors

Darning needle to sew ends up

US Terms

Ch - Chain

DC - Double Crochet

SK - Skip

SP - Space

RP - Repeat

ST - St

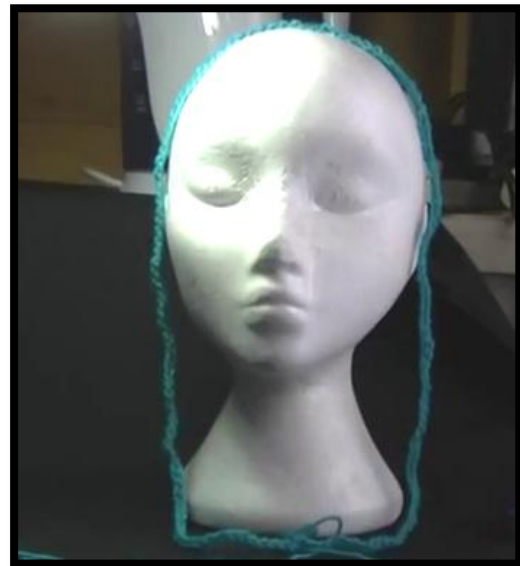

SL ST - Slip Stitch

Rnd - Round

FO - Fasten off.

Thank you Melinda for the awesome photo

Using a multiply of 4 (this means chain 4, chain another 4 and so on) Make a long ch, it needs to go around your head and resting on your shoulders, if you wish it to be tighter around your head make length a bit shorter but keep in mind it has to go over your head, so don't make it too tight. See image ->

If you only wish it for a neck warmer, then you need to put the chain around your neck to gauge how long you want it. Don't forget to make it loose enough so you can get it on and off. See image

Round 1: Make your desired chain length, 2dc in 4th ch from the hook. *ch1, sk 3chs, 3dc in next ch*, rep from *to*, across row to the last 3chs and don't work 3dc shell. Ch1, but don't turn.

Round 2: We need to join our strip to form a circle. Lay your strip of shells flat and all facing the right way, making sure they are not twisted. Sl st to top of 1st ch3, You will need to sew the tail that we left long at the start to the 3chs that we just left un-worked by sewing to the bottom edge. (This will give the illusion that it is continuous, but we cheated hahaha) See image below

Sl st into the next 2 dc's, then into ch1 sp, ch3, 2dc in ch1 sp, *ch1, 3dc in next ch1 sp,* rep from *to* end of round, ch1, sl st into the beginning ch 3, making sure your work is not twisted and facing all the same way.

Round 3: Rep last round until your tube is as high as you want

Try on your Cowl as you go !

Edging

Top Border End Of Cowl

It's entirely up to you if you wish to use a smaller hook for this side.

It will make the edging a little tighter

Ch1, *1sc into chain 1 space, 1sc into each of the dc's* rep from *to* the end, sl st in 1st sc st.

Repeat the above round another two or three rounds or how many you wish. Fasten off and weave in you ends

Bottom round

Round 1 :You will be working around the edge of your foundation row, join yarn to any ch 3 space, ch1, 3sc in ch3 sp, 1sc in next stitch, *3sc in ch3 space, 1sc in next stitch*, rep from *to* until you reach the end, sl st in 1st sc.

Round 2: Next round, ch1, 1sc in each st around, sl st in 1st sc. You can do as many rounds as you like. FO and weave in your ends.

Thank you for choosing my pattern

Clare xx
