

Rounded Scoodie – Hood with a scarf

Designed by Clare Sullivan

Video tutorial - <http://www.youtube.com/watch?v=NYROUkz-dbE>

EASY

200 grams / 7 Oz Red Heart Super Saver

5.5mm hook / I hook

Stitch marker

Scissors

Yarn needle

- These instructions are for an adult sizing - if you would like to make a smaller size, use the sizing formula and then add 2 more increase rounds

Formula

Mathematical formula to make your scoodie fit

Head circumference measurement divided by 3.14 = the measurement from 1 edge to the other

Keep increasing until you have that measurement

For example: 58cm divided by 3.14 = 18 cm (The answer is 18.4cm, you need to round down your answer to nearest whole number) Keep increasing the hat crown until it is 18cm

- The formula will also work for inches

- When joining the rounds for the crown of the hood section the chain 3 does not count as a stitch

Round 1: Magic ring, chain 3, does not count as a stitch. 12 double crochets into the ring, join with a slip stitch to the 1st double crochet

Round 2: chain 3, 2 double crochets into same stitch as chain 3, 2 double crochets into each stitch around. Join with a slip stitch to the first double crochet

Round 3: chain 3, 1 double crochet into the same stitch, 2 double crochets into the next stitch, *1 double crochet into the next stitch, 2 double crochets into the next stitch* repeat from * to * Join with a slip stitch to the first double crochet

Round 4: chain 3, 1 double crochet into the same stitch, 1 double crochet into the next stitch, 2 double crochets into the next stitch *1 double crochet into the next 2 stitches, 2 double crochets into the next stitch* repeat from * to * Join with a slip stitch to the first double crochet

Round 5: chain 3, 1 double crochet into the same stitch, 1 double crochet into the next 2 stitches, 2 double crochets into the next stitch *1 double crochet into the next 3 stitches, 2 double crochets into the next stitch* repeat from * to * Join with a slip stitch to the first double crochet

Round 6: chain 3, 1 double crochet into the same stitch, 1 double crochet into the next 3 stitches, 2 double crochets into the next stitch *1 double crochet into the next 4 stitches, 2 double crochets into the next stitch* repeat from * to * Join with a slip stitch to the first double crochet

Round 7: chain 3, 1 double crochet into the same stitch, 1 double crochet into the next 4 stitches, 2 double crochets into the next stitch *1 double crochet into the next 5 stitches, 2 double crochets into the next stitch* repeat from * to * Join with a slip stitch to the first double crochet

The chain 3 now counts a stitch – You will turn at the end of the row

Row 8: divide the crown into 4, chain 3, crochet 1 double crochet into each for 3/4 of the round (leave the last 1/4 unworked) turn

(If you are making a smaller than adult size, follow the next row and keep making rows until you are half inch shorter than the head circumference you need it for)

Row 9 -18: chain 3, double crochet in each stitch around, make sure you double crochet into turning chain from previous row, turn

If you want to tighten up around the face use single crochet, if not use half double crochet

Row 19: chain 1, half double crochet into first stitch, half double crochet into each stitch across including turning chain from previous row, turn

Row 20 - 23: repeat row 19 changing colour as desired. **DO NOT FINISH OFF**

Scarf

Chain 100 (when the entire scarf is finished, this will give you a long scarf approximately 200 cm) finish off

Join yarn on opposite corner, chain 103, working into back bump of chain, double crochet into the 4th chain from hook, double crochet into each chain across - including the hood section and the chains on the other side, turn

Chain 3, dc into 2nd stitch and each stitch across, turn

Repeat last row until you have 5 rows changing colour as desired, finish off, sew in loose ends

Thank you for choosing my pattern

Happy crochet

Clare xx
