Notes

- We turn at the end of each round
1. **RIGHT SIDE** - Ch 90 (if you want to make it longer/shorter add/minus multiples of 2) and join to make a continuous circle, ch 2, dc in next ch and each ch around, join with a slip stitch to the top of the ch 2 - place stitch marker around the post of any stitch to mark the right side - TURN
 2. **Wrong side** - Ch 2 (does not count as a stitch) *fpdc, bpdc * repeat from * to * join with a slip stitch to first fpdc, TURN
 3. Ch 2 (does not count as a stitch) *bpdc (around stitch and ch 2 below), fpdc * repeat from * to * join with a slip stitch to first bpdc, TURN
 4. Ch 2, dc in each stitch around, join with s slip stitch to top of ch 2 TURN
 5. Repeat 4 - dc round
 6. Repeat 4 - dc round
 7. Repeat 4 - dc round
 8. Repeat 4 - dc round
 9. Repeat 4 - dc round

The next round is worked on the **WRONG** side of the work (remember how we used our trusty stitch marker to mark the right side 😊) if you have changed the amount of rows you will need to make sure you work the next round on the **wrong** side because the pretty part of the stitch is the back of it

10. Change to colour B - ch 1, hdc in the same stitch as the ch 1, hdc around the post of the hdc you just made
skip a stitch, hdc in the next stitch, hdc around the post of the hdc you just made repeat from * to *
around, join with a slip stitch to the first hdc TURN
